

Exclusive Mobility Services by Schmohl AG

As a Schmohl AG customer, you will benefit from various mobility services. For a one-day service appointment, we will offer you a replacement car if required. For work taking several days, the following conditions for replacement cars apply:

Schmohl pick-up and delivery service – including driver

Did you schedule a service appointment but do not have the time to drop your car off at our dealership? Our driver will personally collect your car for the service appointment from where you live. Your valuable car will be looked after with the utmost care and brought to the dealership and back with as much caution as you may expect.

Drop-off offer at Schmohl AG – Exclusive Cars Weinfelden

We are offering you the possibility to drop off your car for your service or repair appointment at our external showroom in Weinfelden. On request and in consultation with the Service Advisors, we will gladly organise the transfer between Weinfelden and our headquarters in Glattpark/Zurich.

Flat rate CHF 150 (costs for outward and return journey)

This service is exclusively offered to customers of Schmohl AG whose cars are undergoing work or repair.

Schmohl Valet Service Zurich Airport

Are you planning a business trip or going on holiday? We will be happy to collect your car from the valet service and ensure that it can be picked up again at the same location on your arrival.

We offer this service free of charge.

VBZ ticket

While your car is being serviced by us, you will receive a free VBZ ticket for short distances (single journeys or day tickets in the Glattpark/airport zone and Zurich city) on request. Thanks to the good public transport connections, you can get to the city or the airport quickly and easily by tram.
