Garage offer from Schmohl AG

Would you like a safe and secure garage for your prized car?
Schmohl AG has the right solution for you.

We provide your car a clean, dry parking space on our premises, protected by an alarm system and located close to Schmohl AG.

We will store your car on tyre cushions under a protective cover. The battery is connected to a charger and, if you so desire, we can even move your car if it is being parked for a lengthy period of time.

If the next servicing is due while your car is in the garage, we will be happy to send you a non-binding offer and perform it after you have placed your order.
There will be no additional effort for you.

We of course also offer this service for car makes of other manufacturers.

If you make an advance reservation, we will have your car professionally cleaned before collection and if need be refuel it as well.

Our Sales & After-Sales Team will be pleased to provide information and answer any questions you may have.

Offer: CHF 380 per month

Price incl. VAT. Offer subject to availability. Subject to change. As of 08/2024
